BALTIMORE, MD., March 13, 1926.

**RED CLOVER**—Market firm, some sections sending in nice orders this week, but not as general as a week ago, we think, due entirely to weather being less favorable. With spring-like weather the spring rush for seed will be on. We have stock of fine quality and can please you in **QUALITY, PRICE and SERVICE.**

NOTE carefully the very high purity of our Northern French grown Red Clover seed. We believe the results from the seed will be equally as good as from the Domestic seed. We can supply both at attractive prices.

**ALSIKE, ALFALFA, SWEET CLOVER, RED TOP, TIMOTHY** and all other seed, including Cow Peas and Soy Beans, all of the last crop—**NO OLD STOCK.** Please write, wire or phone us when ready to buy. We can please you.

We do not handle Italian or South European grown Red Clover or Alfalfa.
